

I participated in the management plan for a patient with the following clinical conditions	Clinical Setting(s)	# of Patients (minimum 1)	Level of Student Responsibility
See Blackboard for electronic logging and definitions of abbreviations.			
Abdominal Pain	In		FP or PP
Acute Coronary Syndrome	In		FP or PP
Acute Kidney Disease	In		FP or PP
Anemia	In		FP or PP
Atrial Fibrillation	In		FP or PP
Chest Pain	In		FP or PP
Chronic Kidney Disease	In		FP or PP
Cirrhosis	In		FP or PP
Congestive Heart Failure	In		FP or PP
COPD	In		FP or PP
CVA/TIA	In		FP or PP
Delirium	In		FP or PP
DKA/HHS	In		FP or PP
Dysuria	In		FP or PP
Electrolyte Abnormalities	In		FP or PP
Geriatric Age >70	In		FP or PP
GI Bleeding	In		FP or PP
HIV/AIDS	In		FP or PP
Hyperlipidemia	In		FP or PP
Hypertension	In		FP or PP
Nosocomial Infections	In		FP or PP
Pancreatic Disease	In		FP or PP
Pneumonia	In		FP or PP
Shortness of Breath	In		FP or PP
Venous Thromboembolism	In		FP or PP
Progress toward completion of the required clinical skills will be reviewed at the mid-clerkship meeting. Following the mid-clerkship meeting, students continuing to have difficulty completing the required experiences should contact the clerkship director and coordinator for assistance.			

I participated in the following skills and/or procedures	Clinical Setting(s)	# of Patients (minimum 1)	Level of Student Responsibility
See Blackboard for electronic logging and definitions of abbreviations.			
H&P Note: Admission Note	In		FP
CXR Interpretation	In		FP or PP
EKG Interpretation	In		FP or PP
<p><u>Level of Student Responsibility:</u></p> <p>Full Participation (FP): Student independently takes history, performs the physical examination, and/or performs the procedure with preceptor supervision. The student participates in the clinical reasoning process leading to a management plan.</p> <p>Partial Participation (PP): Student takes part of the history, performs part of the physical exam, and/or assists during a procedure. The student participates in the clinical reasoning process leading to a management plan.</p> <p>Observed (OB): Student is present when the preceptor interacts with a patient. The student participates in the clinical reasoning process leading to a management plan.</p> <p>Alternative Experience (ALT): Student was unable to access a direct patient experience and completed an appropriate alternative experience under the approval and monitoring of the clerkship director.</p> <p>Clinical Setting(s): The appropriate clinical setting for the experience. Inpatient (In) Outpatient (Out) Emergency Department (ED)</p>
